Personal Reflections:

My son loves the days he needs to stay after school in KnightCare. He loves the individual attention he receives, the activities that are planned each day, and the love that he receives. Thank you for this quality program!

KnightCare is an absolute God send. The care offered to my son is top drawer. Without it, I wouldn't afford the opportunity to work a full day. I LOVE KNIGHTCARE!

KnightCare is a blessing to our family. It is an answer to prayer. I do not have to worry about a babysitter picking up my daughter. She just walks down the hall. The homework time is great and the attention is excellent.
