
“DC’s athletic program serves as a channel to develop, above else strong Christian character in the lives of student athletes. DC has been richly blessed by the servant attitude of the DC Athletic Boosters. The Boosters’ commitment and long history have provided numerous tangible benefits in the improvement of athletic facilities and school spirit at DC. With their generous support, the coaches and student athletes at DC are able to focus their energies on working hard to develop their athletic skills. In turn, this enables the teams to effectively compete against PIAA schools and impact nearby communities by demonstrating their character, effort and sportsmanship in a manner that glorifies our Lord Jesus Christ. Thank you DC Athletic Boosters!!!”

Jim Barr
DC Athletic Director

A DC Golf Shirt

Gold Booster - \$250
2 DC Golf Shirts

Platinum Booster - \$500
DC Gore Tex Jacket

One of America’s greatest middle distance runners, Steve Prefontaine (Pre), was quoted as saying “To give anything less than your best is to sacrifice the Gift.” For our young athletes achieving their best can be assisted in ways such as, cheers from the sideline, special recognition or providing a sense of spirit and tradition. This is where the DC Athletic Boosters Association comes along side our athletes. Our support of DC athletics may be subtle, but we strive to encourage our athletes to achieve their best. To our DC athletes, do your best and don’t sacrifice the Gift!

Athletic Boosters Association Of Delaware County Christian School

“Run in such a way as to get the prize.”

1 Corinthians 9:24

Mission of DC Athletic Boosters

The DC Athletic Boosters Association is a connected group of DC Society Members and alumni who have a strong interest in supporting and enhancing high school sports at Delaware County Christian School.

As a group, we intend to:

- Cooperate with and support school administration, faculty and coaches on matters of athletics.
- Promote and enrich good relationships between the school, students, alumni and community through athletic activities.
- Proved support for all DC athletes (including those in unique individual sports such as swimming and gymnastics).
- Provide volunteers to assist with the many athletic programs and events of the school.
- Recognize all athletes for their participation an accomplishments.
- Develop and enhance a sense of pride, spirit and tradition with DC.
- Raise funds as a means to enhance *the DC athletic experience*.

Game Plan

Monies raised by DC Athletic Boosters memberships and concessions directly benefit our student athletes and sports programs. During the 2007 - 2008 school year DC Athletic Boosters was able to fund the resurfacing and repainting project of the Lower Gym floor. Additionally, we were able to financially assist coaches in training to enable our athletes to receive the best coaching possible.

DC Athletic Boosters is involved throughout the school year in various activities such as; Fall Sports Day/Homecoming, Tip off Tournament, Wrestling Tournament, and Spring Sports Day. DC Athletic Boosters also sponsors DC's athletic banquets.

Teamwork

Individual effort as well as teamwork is vital for success when participating in a sport. In the same way DC Athletic Boosters relies on individuals to provide the teamwork necessary to support our sports teams as well as our individual athletes.

Help is needed from parents, friends, and coaches who are interested in seeing DC athletes receive all of the support and encouragement needed to succeed. Your membership on the DC Athletic Boosters team is essential.

You can help first by praying for our sports teams, and also throughout the school year in a variety of ways such as: housing for visiting athletes, run concessions at sporting events, and many other ways. Please prayerfully consider how you might be involved.

*“As we press on to the goal to win the prize for which God call us heavenward in Christ Jesus.”
Philippians 3:14*
